Discovering Ozzano and the hills
around Bologna

BY BIKE AND ON FOOT THROUGH NATURE, HISTORY AND LANDSCAPES

Ozzano dell'Emilia and the hills around Bologna offer an area that is ideal for exploring at a leisurely pace, by bike or on foot, amidst rolling hills, nature and traces of local history.

We have selected a number of routes that allow you to explore the local area and extend your experience beyond Ozzano, along routes offering scenic and natural beauty.

From the historic Via Flaminia Minor to the Ciclovia delle Valli Bolognesi, passing through the hills of Ozzano and the spectacular badlands, you will find routes of varying lengths and levels of difficulty.

GET READY FOR YOUR ADVENTURE

For each route, you'll find a description of the route, a map of the route, key technical information, and the option to download the GPX track and use the route directly on your device.

Before setting off, always check the condition of the route, the weather forecast and your level of fitness in relation to the difficulty of the route.
